

# MooringCatcher®

a division of LineCatcher Industries

*Thank you for your purchase of a  
MooringCatcher®.*

## INSTRUCTIONS

1. Remove the top nut & washer.
2. Put the threaded rod up through the bottom of your mooring ball
3. Replace washer & nut, center & tighten firmly
4. Mount the fiberglass rod to the top of the threaded rod & tighten firmly
5. Shackle the mooring chain & bridle to the MooringCatcher® chain.
6. Attach bridle loops to flexible hook and bend hook toward rod when holding the bridle
7. In extremely choppy waters add a small float to the bridle to facilitate retrieval should the bridle fall off of the hook
